

## Happy pigs, happy farmers

I am passionate about integrating design and technology to drive growth in the agricultural sector.

My expertise includes farm design, as I previously managed projects at Japfa Comfeed Vietnam, focusing on developing state-of-the-art farming solutions.

### **What are your specialties in the pig industry?**

With extensive experience in project management and design, I currently serve as the Head of the Planning and Design Department at Thacco Agri, where I lead innovative projects that enhance agricultural efficiency and sustainability.

Prior to this, I held the position of Project Director at Hùng Nhơn Group, where I successfully oversaw multiple large-scale initiatives from conception to completion.

### **Your current focus:**

What individuals or organizations do you wish to collaborate with?

What specific areas of expertise do you seek to emphasize?

Which topics do you consider to be the most critical in the pig industry at this time?
